Ethan,

Hope this letter finds you ok, since we haven't heard from you for a while. I know your probably busy since their giving you a 2 week break soon. I think about you all the time, I Really miss you bad. I can't wait to be with you when you get your 2 week Christmas break.

Not much happening here, its Rained most of the day & the temperature is in the 50's.

How is you PE coming along? Is the SARGENT still helping you with it? What have you been learning new for now? When you get out of basic training you will know a lot of things most people your age don't know, you'll be a man.

We are so proud of you & hope you stick it out & become a man, everyone will be proud of.

Do you have any idea what you will be learning when you get to A&T?

well I'll close for now, Remember we love you very much & sure do miss you

TAKE CARE (Love you)
